Can't get any faster... 11/08/2003 01:27:00 AM Lots of really fast connections on Gnutella.... 5/05/2001 06:24:00 PM Unfortunately, it seems like they have been trying to convert all the old hacks to "DBGO" with new names to make the user-base smaller. I would like to see more speed, it used to be really fast, but after the add ons, it is now really slow. Hopefully the new version will improve.
